### Butler County Area Foundation Fund

The Butler County Area Foundation Fund invites you to join the Builders Club. By giving \$1,000, or pledging as little as \$10 per month, you can help us grow the foundation's endowment. Your generous gift is tax deductible. For the ag producer, you can also make your gift in the form of grain. Ask us how we can help you find a way to give back to your community.

Your gift will help to build a permanent savings account for community projects and programs.

The fund has already given over \$400,000 to the community in the past three decades. Funds have helped with leadership training, entrepreneurship training and other helpful programs. And we're just getting started - with your help.

If you have questions, contact a Committee Member listed below. Or you may send your contribution to BCAFF, P.O. Box 91, David City, NE 68632. These individuals and businesses listed have either contributed or pledged \$1,000, and in some cases more, to become Butler County Area Foundation Fund Builders Club members.
